STOP DELIVERY ORDER

Effective immediately, stop the delivery of all 2010-2014 model year Chevrolet Camaro vehicles currently in transit to dealers as well as those already in new and used vehicle inventory for an ignition key issue. According to GM records, the total number of involved U.S. vehicles currently in new vehicle inventory is 34,233.

All 2010-2014 model year Chevrolet Camaro vehicles that are in dealer inventory (new and used) must be held and not delivered to customers, dealer traded, or used for demonstration purposes until further instructions are received.

Instructions for releasing the involved vehicles from this stop delivery will be provided in the near future.

Please do not call GM Technical Assistance.
